

Viewfinders of Romsey Camera Club

Welcome to Viewfinders 2014 - 2015

Now that you have joined Viewfinders, here are some notes and information to help you.

Information for new members can be downloaded from the programme and members sections of the club's website; this consists of:

Annual Programme, Club Constitution, Rules for Monthly Assessments and Trophy Competitions, Image preparation for projected digital images, Image sizing for projected digital images and a Checklist entries to projected image assessments and trophies.

In the Monthly Assessments new members work will normally be entered into the primary class. If you are not a beginner you may submit a selection of your work (usually ten images) to the Committee for them to decide your point of entry (Rule M2 refers)

Entering the Club Monthly Assessments or Competitions may seem rather daunting to a new member, so if you would like advice from an advanced worker ask a committee member who will be pleased to introduce you to someone who can help.

If at any time you require any further information about Club activities or if you want to make any comments (good, or bad) please contact the Club Chairman or any Committee member – they should be wearing identifying badges.

Note 1: All digital images for trophies, assessments, internal and external competitions are to be sent to viewfinders@hotmail.co.uk.

Note 2: You will need a User Name & password to enter into the Members Section of our website. The current (September 2014) User Name is Viewfinders and the password is Minolta. This can change during the year so, if it does, this should be emailed.

Note 3: The current officers of the club's email addresses are published under the Contact Us section on our website. Please use these addresses – we changed our domain name to something less wieldy last year and there may be older email addresses scattered throughout our website which we have missed – they may still work BUT may be best not to try!
